

Mesa Estates Gazebo Reservations

The Gazebo is available for residents to reserve for private functions at no cost to you. The facility is only for use by residents and their guests. If you have a need to reserve the facility, please let Bray know about it at "hoa@brayandco.com". Bray will communicate to the homeowners that the facility has been reserved. You will need to post your own reservation sign at the Gazebo.

There are lights and a ceiling fan in the Gazebo. There are four large vinyl-coated picnic tables. Two of these tables are wheel-chair accessible on one end. There is also a charcoal barbecue grill available. You will be responsible for cleaning the grill when done and remove all trash from the function.

All functions will need to end by 10:00 p.m.
